

A special honor reserved for ME alumni with an exceptional level of achievement. An opportunity for us to bring them back home, hear their career experiences, and induct them into the Alumni Achievement Award Lecture Club to stay with LSU for ever.

## THE MECHANICAL ENGINEERING ALUMNI ACHIEVEMENT LECTURE

4:00pm, Friday, April 21, 2017  
Frank H. Walk Design Presentation Room (140 ELAB)

Hear insight into how off road motorcycle racing, LSU, a wonderful wife, working for Enron (twice) and others combined to form the framework for an ordinary LSU ME graduate to advance. Take away how some very simple things can have a significant influence and impact on our success.

### Motivation, Risk Taking and LSU: A Fortuitous Combination

by

**Kevin M. Miller**

President of Boardwalk Louisiana Midstream  
BSME LSU 1983.

Kevin Miller became President of Boardwalk Louisiana Midstream in January 2014. Prior to this role, Mr. Miller had served as Senior Vice President and Chief Operating Officer of Boardwalk Louisiana Midstream since October 2012, when Boardwalk acquired PL Midstream LLC. He spent the previous three years as Executive Vice President and Chief Operating Officer of PL Midstream. During his time with Boardwalk Louisiana and PL Midstream, Kevin has managed a rapid expansion of the company with revenues increasing over 400%. Kevin has more than 30 years of experience in the midstream and upstream business sectors, including Regional Manager of Upstream Development at Shell Global Solutions. Kevin has served on the Board of Directors for the Gas Processors Association (GPA) and chaired the GPA Product Specification Committee for 5 years. Kevin is an avid mountain biker and has raced off-road motorcycles for most of his life. Kevin is married to his high school sweetheart, Tina, and they have two adult children and two grandchildren.
