

**Faculty Senate Resolution  
SR 03-07  
REVISION OF 2005 ADMISSION STANDARDS  
Carruth McGehee**

Whereas, the Faculty of Louisiana State University have approved a series of improvements in admission standards at LSU, the last being Faculty Senate Resolution SR 02-09 (SR03-01), and

Whereas, following discussions with the Flagship Committee of the LSU Board of Supervisors, Chancellor Emmert asked the Faculty Senate Admissions, Standards, and Honors (ASH) Committee to consider raising the threshold ACT scores approved in Faculty Senate Resolution SR 02-09 by one additional point, and SAT scores equivalently, to send an even clearer signal that LSU is moving to a new level of expectations for prospective students, and

Whereas, the ASH Committee has determined that increasing the threshold ACT scores approved in Faculty Senate Resolution SR 02-09 by one additional point will have minimal impact on projected enrollment statistics, and in particular will have minimal impact on projected minority enrollment,

Therefore, be it resolved that the LSU faculty propose the following revision of the assured admission requirements for students entering LSU in the Fall of 2005 as defined in Faculty Senate Resolution SR 02-09, the only changes being in the SAT or ACT column:
