

FACULTY SENATE RESOLUTION 79-12

WHEREAS the Commission on the Status of Women is studying the feasibility of establishment of a day-care for children of the faculty and staff of the Baton Rouge campus,

AND WHEREAS such facilities have proven useful and successful at other institutions,

AND WHEREAS many members of the LSU family could benefit greatly from top quality pre-school care for their children at a site located near their place of employment,

AND WHEREAS the Staff Senate has endorsed the proposed day-care program,

BE IT RESOLVED THAT the Faculty Senate endorse the establishment of a day-care program for the children of the faculty and staff of the Baton Rouge campus.
